INTERNATIONAL DARWIN DAY EVENT

Foujan
Knowledge and Philosophy Institute

DARWIN DAY

International Darwin Day on February 12th will inspire people throughout the globe to reflect and act on the principles of intellectual bravery, perpetual curiosity, scientific thinking, and hunger for truth as embodied in Charles Darwin.

WHAT IS IT?

INTERNATIONAL PARTNERSHIP

FOUJAN INSTITUTE

WHO ARE WE?

WHAT DO WE DO?

Foujan institute for knowledge and philosophy, maintaining an international approach, seeks to raise awareness of current issues in philosophy of religion, biology, and gender and sexuality. It provides these subjects to educated people, both philosophy-knower or the other, in an easy-to-understand and accessible language.

It takes reasonable steps towards transmitting and increasing the widespread knowledge of individuals, which is undoubtedly an essential step in promoting the culture and prosperity of human society.

Foujan Institute is going to hold an international meeting on the day. It will be in two parts with academic speakers from Iran and the US.
